

# E-BOOKS for Kids

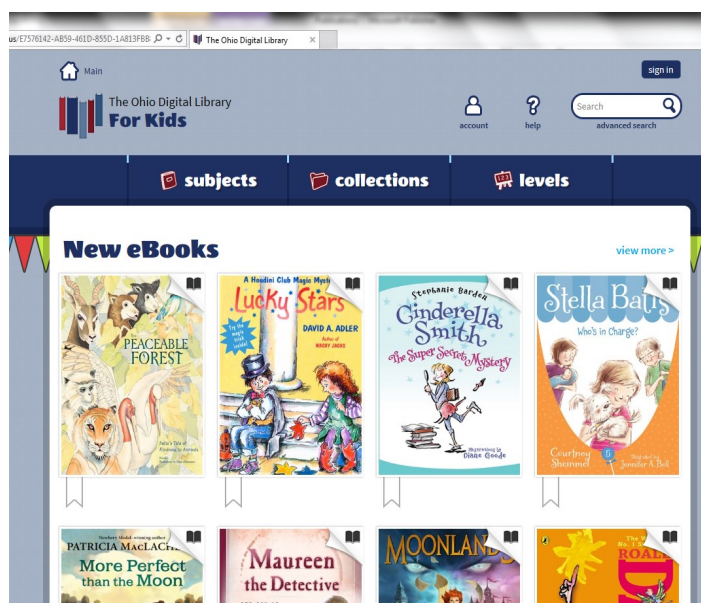

**Are you interested in checking out e-books on your Kindle, Nook, iPad or iPhone? If so, follow these simple directions to checkout e-books from your library.**

**The following directions apply to all tablet devices (i.e. Kindle Fire, Nook, iPad, and iPhone).**

1. Open the **App Store** on your device and download and install the free **OverDrive Media Console** app.
2. Open **OverDrive** and touch the button with three lines at the top left.
3. Select **Add a library** and search for **43023**.
4. Select **Granville Public Library** and then tap **The Ohio Digital Library** to open our digital catalog.
5. To search the kids catalog, scroll down and click on the **Overdrive for Kids** icon.
6. The **Ohio Digital Library for Kids catalog** will look like this:

And you can filter your search by subject, collection or reading level at the top of the page. You can also search for an author, title or subject in the advanced search box

in the upper right-hand corner.

7. Find a book and click the **Borrow** button.
8. Type in **Granville Public Library**, and then type in your **Library Card number** and **PIN** to login.
9. Tap on the **Bookshelf** icon to see your checked out titles.
10. Tap on **Download** and choose **EPUB ebook** as your format. Tap on **Confirm & download**.
11. You will now be prompted to input your **Adobe ID**. Follow the steps to create an **Adobe ID**.
12. Open **OverDrive** once more and follow the prompts to input your **Adobe ID**. (You will only have to enter your **Adobe ID** once.)
13. The book will now appear on the homepage of your **OverDrive** app. Tap on the cover to begin reading.
