

Facebook Comments Policy

Board approved: 1/2013

Thank you for joining our community on Facebook.

The Granville Public Library's dedicated fan page is a useful source of news updates and information about the library and our related interests. We hope it will become a key place for you to connect and be a part of the Granville Public Library community.

We recognize that it is your community, but we also want you to be aware that it is the official fan page for the Granville Public Library and is a shared, public space. This is not the place for personal attacks, spam, or rants.

We will delete, and possibly report to authorities, comments if they include any of the following:

- Commercial solicitations
- Threatening, slanderous or obscene language
- Discriminatory language (including hate speech) based on race, national origin, age, gender, sexual orientation, religion or disability
- Sexually explicit material and other material that would violate the law if published
- Spam or undecipherable language
- Personally identifiable information (e.g., postal and email addresses, phone numbers, etc.)

We also reserve the right to remove off-topic comments.

While social media is a 24/7 medium, our moderation capabilities are not. We will make every attempt to remove inappropriate comments in a timely fashion; however, we may not see every comment right away and ask that you report comments that violate this policy by calling 740-587-0196 or by emailing to jwalden@granvillelibrary.org.

Please participate at your own risk, taking personal responsibility for your comments.

Thank you for joining the conversation!
