

STRATEGIC PLAN

MISSION

The Granville Public Library serves as a welcoming place and essential partner in our community's commitment to lifelong learning through education, enrichment, and engagement.

TAGLINE

Educate. Enrich. Engage.

OBJECTIVES

The Granville Public Library is an integral part of the Granville community and we welcome input from all community members.

A WELCOMING, comfortable place

- Incorporate a meaningful, accessible, and easy user experience into library policies, procedures, and practices
- Maintain an approachable and attractive virtual presence via the library web site, social media, and virtual services
- Make building improvements a budget priority

Create LIFELONG READERS

- Champion the lifetime habit of reading by providing a wide range of materials in a variety of formats
- Develop and maintain a diverse, current collection of materials encompassing a variety of topics
- Provide programming and outreach services to educational partners and community groups, including preschool, daycare and senior housing facilities

Satisfy CURIOSITY in all ages

- Introduce new technologies, including downloadable and streaming materials, and provide community members with opportunities for instruction and use
- Grow our lending program of non-traditional library items and other innovative services and programs
- Offer classes, programs, and presentations that spark interest and learning

CONNECT our community, nation, and world

- Create new partnerships and foster existing relationships with community groups and organizations that benefit and enhance the Granville community
- Develop tools to access and use local history and geneology materials
- Build on existing offerings of issue-oriented programming, art and science exhibits, and local business support
